*This non-binding guidance document has been produced for internal TLD Enforcement Department purposes only. It is made available externally to provide guidance to the regulated industries as to the likely penalty to be sought by TLD Prosecutorial Staff through citations or before PPA hearing officers for certain regulatory violations. However, the Enforcement Department and Trial Counsel retain the ability to deviate from these penalty guidelines if they determine, in their sole discretion, that circumstances so dictate.

** Correctable violations may be reduced upon inspection by the TLD, admission of liability and payment of Correctable Fine Amount within 48 hours of the violation
