1. Introduction:
This Request for Proposals (RFP) is being issued by the Philadelphia Parking Authority (the “Authority”). The Authority is soliciting written proposals from qualified vendors in order to procure parking regulations signs and decals under a contract with the Philadelphia Parking Authority. The sole contact at the Authority shall be Mary Wheeler, Manager of Contract Administration, 701 Market Street, Suite 5400, Philadelphia, PA 19106 or via email at mwheeler@philapark.org. As a Request for Proposals (RFP), this is not an invitation to bid and although price is very important, other pertinent factors will be taken into consideration.

2. Procurement Questions:
Prospective Proposers are encouraged to submit questions concerning the RFP in writing no later than 2:00 PM Friday, October 2, 2015. Questions concerning this RFP are to be submitted in writing via email to Mary Wheeler at mwheeler@philapark.org with “RFP No. 15-03 Regulation Signs and Decals” listed in the subject line. Only questions submitted in writing will be considered. The Authority will in turn
answer all questions in writing to all eligible proposers. Any furnished answers will not be official until they have been verified, in writing, by the Authority to all prospective proposers. The Authority shall not be bound by any verbal information nor shall it be bound by any written information that is not either contained within the RFP or formally issued as an addendum by the Authority. The Authority does not consider questions to be a protest of the specifications or of the solicitation.

3. **Proposal Conditions:**

Sealed proposals must be received in the office of the Philadelphia Parking Authority, 701 Market Street, Suite 5400, Philadelphia, PA 19106, by 2:00 PM on Friday, October 9, 2015. Each proposer shall submit to the Authority the information and forms required, which forms and information shall become the property of the Authority and will not be returned to proposers, unless a written request to withdraw is received prior to the opening of proposals.

4. **Signatures Required:**

The proposals must be signed in ink in all spaces where signatures are required. In cases of corporation, the signature must be that of a duly authorized officer of the corporation and officer’s title must be stated. In cases of partnerships, the signature of a general partner must follow the firm name, using the term “A Member of Firm.” In cases of an individual use the term “dba” (Company Name) or as sole owner.

5. **Proposal Format:**

All proposals submitted must conform to the following format requirements. A transmittal letter signed by a person authorized to engage your company in a contract must be included in your proposal. Proposals must be submitted on letter size (8½” x 11”) paper. The point size font for text must be 10 to 12, and 6 to 8 for exhibits. All documents must contain a one-inch margin. For exhibits, 11x17 paper is acceptable. An electronic version of the Price Form will be provided to all prospective Proposers. Forms that are altered by the Proposer may be grounds for rejection of the Proposers offer.

The tab requirements are as follows:

- Tab A– Letter of Transmittal
- Tab B– Executive Summary
- Tab C– Proposal Security
- Tab D– Financial Statement
- Tab E– Insurance Requirements
- Tab F– Proposal Form
- Tab G– General Warranty
- Tab H– Additional Attachments
- Tab I– Unacceptable Contract Terms

6. **Proposal Qualifications:**

Proposers must present evidence satisfactory to the Authority that they are fully competent to perform the conditions of the Contract. Proposers must have the necessary facilities, equipment, experience, and financial capacity to fulfill the conditions of the Contract and all the terms and specifications included herein.

**REGULATION SIGNS AND DECALS 2015**

**PROPOSAL NO. 15-03**
To provide the Authority with information as to their ability to perform, proposers must submit, as part of this proposal, information stipulated in the Proposal Qualification Form (Proposal Form, Section 12) attached hereto and proof of ability to furnish the items as outlined in the Specifications.

All prices set forth in proposals received by the Authority shall remain firm and proposers shall not be allowed to change or alter the prices set forth in their proposals for the duration of the contract period. If the Authority selects the proposer’s proposal, the non-conflicting contents of the selected proposal will become contractual obligations upon execution of the contract.

The Authority has identified the basic approach to meeting its requirements, allowing proposers to be creative and propose their best solution to meeting these requirements.

7. Proposing Equivalent Products:

If and whenever in the specifications a brand name, make, name of manufacturer, trade name, or vendor catalog number is mentioned, it is for the purpose of establishing a grade or quality of material only. Since the Authority does not wish to rule out other competition and equal brands or makes, the phrase “or approved equal” is added. However, if a product other than that specified is proposed, it is the proposer’s responsibility to identify such a product within the proposal, and to prove to the Authority that said product is equal to that specified, including but not limited to submitting brochures, samples, and/or other specifications in detail on the item(s) proposed. Approval of any proposals submitted shall be at the sole discretion of the Authority.

8. Executed Contract Required:

Notwithstanding completion review and submission of all Request for Proposal’s and response documents, and regardless of any formal or informal public or private statements emanating from any official of the Authority or the Proposer, including any notice of “contract award” from the Authority, the Authority will not be legally bound to any contract for the furnishing of parking regulation signs and decals or be subject to any other liability whatsoever on any legal theory concerning the provision if furnishing parking regulation signs and decals until a final document evidencing the complete and exclusive contract of the parties is signed by the Authority’s Executive Director and the duly authorized representative of the Proposer.

9. Rejection or Acceptance of Proposals:

An Evaluation Committee comprised of Authority personnel will review all proposals and select the most responsible proposer(s). Upon the conclusion of their review, the most responsible proposer(s) will be selected to execute the contract. The Authority may, at its sole discretion, select more than one proposer to execute a contract. After execution of the contract by the proposer(s), the Committee will make a recommendation to the Authority’s Board of the most responsible proposer(s) with the highest quality and best terms. In qualifying a proposer as responsible, the Authority will consider the proposer’s ability to meet the requirements, terms and conditions of the RFP. Proposers will be evaluated on factors including, but not limited to, the proposer’s work experience, staffing level and experience, responsiveness, quality and timeliness of past performance with the Authority as well as others, financial capability, reliability, responsibility, compliance with equal employment requirements and anti-discrimination provisions, compliance with wage, hour and other fair labor standards, and integrity of the firm and its key people.

The Authority reserves the right to waive any irregularities in the completion of the forms and
papers enclosed in this schedule; to accept or reject any or all proposals; to re-advertise for proposals if desired, and to accept the proposal which, in the judgment of the Authority, will be in the Authority’s best interest. The Authority reserves the right to reject any or all alternates if desired, and to accept the combination of base proposals and alternates, which in the sole judgment of the Authority, will be in the Authority’s best interest.

Any form which is required to be submitted and which is incomplete, conditional, obscure, contains additions not called for and not approved by the Authority, or which contains irregularities of any kind, may be cause for rejection of the proposal. In the event of default by a successful proposer, or the proposers’ refusal to enter into the Contract with the Authority, the Authority hereby reserves the right to re-bid the Contract or to accept the proposal of the next most responsible proposer at the Authority’s sole option.

At any time up to the hour and date set for opening of proposals, a proposer may withdraw its proposal. Such withdrawal must be in writing and sent to the Authority at the address set forth herein by certified mail, return receipt requested, or delivered in person. Such withdrawal shall be effective only upon receipt by the Authority and will not preclude the submission of another proposal by such proposer prior to the hour and date set for the opening of proposals. After scheduled time for opening of proposals, no proposer will be permitted to withdraw their proposal, and each proposer hereby agrees that their proposal shall remain firm for the contract period. A proposal made and opened may be withdrawn with the written permission of the Authority, if in the Authority’s opinion, the proposal is inconsistent with the best interest of the Authority.

10. Unacceptable Proposals:

No proposal will be accepted from or selection made of any person, firm or corporation that is in arrears or in default to the Authority upon any debt or contract, or whose insurer or banking institution is in default as surety or otherwise upon any obligation to the Authority, or has failed in the sole opinion of the Authority to faithfully perform any previous contract with the Authority.

11. Clarification of Instructions:

Should the prospective proposer find a discrepancy in or an omission from the Specifications or Instructions to Proposers, or should she or he be in doubt as to the meaning of any term contained therein, the proposer shall notify Mary Wheeler, Manager of Contract Administration via email at mwheeler@philapark.org, who will clarify any discrepancies by sending written instructions to all proposers.

12. Restriction of Contact:

From the issue date of this RFP until the Authority’s Board approves the negotiated contract, Mary Wheeler, Manager of Contract Administration, is the sole point of contact concerning this RFP. Any violation of this condition may be cause for the Authority to reject the offending proposer’s proposal. If the Authority later discovers that the proposer has engaged in any violations of this condition, the Authority may reject the offending proposer’s proposal or rescind its award. Proposers must agree not to distribute any part of the proposals beyond the Authority. A proposer who shares information contained in its proposal with other Authority personnel and/or competing proposer personnel may be disqualified.
13. Notification of Proposer Selection:

The Authority shall study and evaluate all proposals which are received in accordance with the instructions set forth in the proposal package and may select a proposer or multiple proposers and notify all other proposers of the selection within one hundred and twenty (120) days after the date the proposals are opened. Such notice shall be in writing and mailed to the address furnished by each respective proposer. The selected proposer(s) shall not start the performance of any work prior to the Effective Date of the contract and the Authority shall not be liable to pay the selected proposer for any service or work performed or expenses incurred before the Effective Date of the Contract.

14. Financial Statement:

The Vendor must provide financial statements for the last three (3) years, which have been audited or reviewed by an independent Certified Public Accountant who is not an employee of the proposer.

15. MBE/WBE/DBE/DSE Participation:

While there are no Participation Ranges projected for this Proposal, proposers are prohibited from discriminating in their selection of subcontractors and are encouraged to solicit quotes from businesses, when applicable, on an equitable basis with other firms.

16. General Warranty:

Neither the final Certificate of Payment nor any provision in the Contract included within the scope of the Contract shall constitute an acceptance of work not done in accordance with the Contract or relieve the proposer of liability in respect to any expressed warranties or responsibility for faulty materials or workmanship.

The vendor must include in Tab G of Proposal, a description of all warranty provisions and preventive maintenance operations proposed for this Request for Proposal.

17. Contract Period:

Commencing with the Effective Date, the term of the final Contract shall be in effect for three (3) years with the option for two (2) one (1) year extensions at the same agreed upon cost at the Authority’s discretion. The Authority at its sole discretion, shall have the right to terminate the contract upon thirty (30) days written notice.

18. Executive Summary:

The vendor will include in Tab B of their proposal, a brief summation of the highlights of the proposal and the overall benefits to the Authority. This summary will also include any alternatives proposed by the vendor.
19. **Document Disclosure:**

While documents exchanged by or with the Authority or its agents during this process may be protected from public release by certain terms of Pennsylvania's Right to Know Law (65 P.S. §§67.101–67.3104), Pennsylvania's Procurement Code, or other laws, all proposers in the instant process are advised to review such disclosure issues.

20. **Business Licenses:**

The selected proposer must apply for and obtain, prior to execution of the Final Contract document and at the Proposer’s sole expense, any business license required to comply with the applicable law as related to the scope of work detailed in this RFP.

21. **Evaluation of the Proposal:**

An Evaluation Committee consisting of Authority staff and legal counsel to the Authority will have sole responsibility for reviewing and evaluating all proposals submitted in response to the RFP. The Evaluation Committee will assess the qualifications of the vendor, the vendor’s ability fulfill the terms of the contract within the specified time line, the vendor’s ability to meet the specifications, and the price proposed by the vendor. The Evaluation Committee will utilize the following rating system to evaluate all proposals submitted: 0 = does not meet the requirements, 1 = marginally meets the requirements, 2 = fully meets the requirements, 3 = exceeds the requirements. Based on these ratings, a composite rating will be determined for each proposal ("Rating"). While the Rating will be used by the Authority in the selection process, the award of the contract will be at the sole discretion of the Authority.

22. **Submitting Samples:**

All items proposed under this solicitation must comply with the Made In USA Standard. Vendors interested in submitting an offer for this solicitation must provide samples of the items proposed for this contract. Samples will be received on or before Friday, October 2, 2015 at 2:00 PM. B. THE TIME OF DELIVERY IS OF THE ESSENCE. IF A TENDER OF CONFORMING GOODS IS NOT MADE BY THE SCHEDULED DELIVERY DATE, COMPANY MAY, AT THE SOLE DISCRETION OF THE AUTHORITY, HAVE AN OPPORTUNITY TO MAKE A LATER CONFORMING TENDER. Company shall promptly notify the Authority in writing of any anticipated delay in the scheduled delivery date, and the Authority reserves the right, in order to maintain the scheduled delivery date, to require Company to expedite delivery by shipping via a speedier, alternate transport means. Additional costs attributable to such expedited delivery shall be paid by Company. Company shall be liable for all resulting damages to the Authority occasioned by delay in delivery. Delivery shall not be deemed to be complete until the goods have been actually received and accepted by the Authority. Advance and excess shipments may at the Authority’s option be rejected and returned to Company at Company’s expense. C. Upon Delivery, the Signs shall be inspected by the Authority to assure conformity with the Authority’s RFP. In the event that the Signs fail to be compatible in any way, the non-conforming Signs may be returned to Company with Company’s obligation to take adequate remedial action as to the non-conforming Signs or replace such Signs with conforming Signs in
either case, within fourteen (14) calendar days of rejection by the Authority, or the delivery of such non-conforming Signs in the first or any subsequent instance, shall be deemed, at the Authority’s sole discretion, a breach of this Agreement by Company and shall release the Authority from any and all liabilities or obligations associated with this Agreement. The Authority’s inspection, discovery of any breach of warranty, failure to make an inspection or failure to discover any breach of warranty shall not constitute a waiver of any of the Authority’s rights or remedies whatsoever.

D. For purposes of this Agreement “Delivery” shall mean the normal business day of the Authority upon which the Signs are transferred to the physical and titular possession of the Authority.

E. The Authority shall have five (5) business days from the date of Delivery to reject non-conforming Signs.

Thereafter, Company shall be liable for, and the Authority shall be entitled to recover, liquidated damages in the amounts listed above for every thirty (30) days that the Signs fail to meet the Terms of Delivery as outlined in Section 4 of this Agreement. The parties hereby agree and acknowledge that calculation of the damages from a breach would be difficult to estimate accurately and that the foregoing dollar amount is a reasonable approximation thereof and is intended as the fair allocation and liquidation of damages.

B. Company shall not be responsible for delay, non-delivery or default if occasioned by strikes, war, or riot, or any delay due to demands or embargoes of The United States Government, or any other government, or non-delivery or delays resulting directly or indirectly from an act of God including, but not limited to, fires, floods, or droughts, or delay as a result of insurrections, lockouts, or stoppage of labor or by refusal of any necessary license or government restrictions considered as “Force Majeure,” or by any other unavoidable cause at any stage of manufacture or transit of the Signs beyond the Company’s control.

6. RIGHTS AND REMEDIES

If an event or default occurs, the Authority shall, at its sole discretion, in addition to the right of cancellation and liquidated damages, be entitled to all remedies for a breach of contract set forth in the UCC and all other remedies available at law or in equity. Additionally, the Authority may, at its option:

A. Refuse to accept delivery of the goods;
B. Refuse to accept a subsequent tender of substitute, conforming goods;

C. Return nonconforming or late delivered goods to Company at Company’s expense and, at the Authority’s option, either recover all payments made therefore and expenses incident thereto, or at Company’s expense, receive replacement therefore;

D. Recover any advance payments from Company for undelivered goods;

E. Rework the goods to make the goods conform to the warranties and charge Company for the expense thereof;

F. Use the goods for a purpose other than the purpose originally intended and charge Company for the amount by which the purchase price exceeds the price of goods normally required for such alternative purposes;

H. Have Company repair or replace defective goods at Company’s expense;

I. If defective goods are repaired or replaced by the Authority or Company, charge Company for all costs and expenses of repairing or restoring non-defective work or goods distributed as a consequence of repairing or replacing defective goods.

J. If goods cause any harm or damage to any Authority property, charge Company for all costs and expenses of repairing or replacing such property.

The Authority shall be entitled to exercise any or all of the remedies specified above or each of such remedies in part, provided, however, that the Authority shall not be permitted to recover more than once for any part of a performance called for by these Terms and Conditions. NONE OF THE REMEDIES AVAILABLE TO THE AUTHORITY HEREUNDER MAY BE LIMITED EXCEPT TO THE EXTENT AND IN THE MANNER AGREED UPON BY THE AUTHORITY IN A SEPARATE AGREEMENT SPECIFICALLY DESIGNATING SUCH LIMITATION AND SIGNED BY AN AUTHORIZED REPRESENTATIVE OF THE AUTHORITY.

7. WARRANTIES

Company expressly warrants that all goods purchased and delivered hereunder:

A. shall strictly conform in all respects with the Authority’s descriptions and specifications incorporated herein,

B. shall strictly conform in all respects to any samples, drawings, specifications or other written documents presented to the Authority in connection with the sale of such goods to the Authority,

These warranties shall survive inspection, delivery, acceptance, and payment, shall run to the Authority, its officers, agents, employees, successors, assigns, customers and users of the goods and shall not be deemed to be exclusive.

Company hereby warrants that it has not taken any action that interferes with, or in any way nullifies, any applicable manufacturer’s warranty.

8. NO SOLICITATION/CONFLICTS OF INTEREST

A. Company does hereby warrant and represent that the laws of the Commonwealth of Pennsylvania have not been violated as they relate to the procurement or performance of this Agreement by any conduct, including payment or giving of any fee, commission, compensation, gift, gratuity or consideration of any kind, directly or indirectly to any Authority employee, officer or Company.

B. To the best of the Company’s knowledge, no Authority member or officer, and no employee of the Authority has any interest (whether contractual, non-contractual, financial or otherwise) in this transaction or in the business of Company. If such transaction comes to the knowledge of the Company at any time, a full and complete disclosure of such information shall be made to the Authority.

C. Company hereby acknowledges receipt and acceptance of the Authority’s Conflict of Interest Policy.
