

Notice to Bidders

Fiber Optic Connectivity

Philadelphia International Airport, Philadelphia, PA

BID No. 16-01

Sealed Bids will be received until 2:00 PM on Friday, November 4, 2016, by the Philadelphia Parking Authority (“the Authority”), a body corporate and politic created under the laws of the Commonwealth of Pennsylvania in accordance with the Act of June 19, 2001, P.L. 287, No. 22, as amended, known as the “Parking Authority Law”.

Scope of Work

The Philadelphia Parking Authority (PPA) operates seven parking garages and a 7,000 space, at grade, paved economy parking lot at the Philadelphia International Airport. The toll collection revenue system consists of one main toll plaza, a secondary toll plaza, and numerous entrance gates. In all, approximately 60 locations are connected back to the system’s computer servers with fiber optic cable.

These computer servers are currently being replaced, which requires modifications to the overall campus fiber optic network.

The Authority will engage a single electrical contractor to provide all the necessary labor and materials to locate a new fiber optic hub and make all the necessary alterations to the existing fiber optic network.

The bid documents for this solicitation will be available at the 701 Market Street, Suite 5400, Philadelphia, Pa 19106 on Monday, September 26, 2016 after 3:00 PM for a fee of \$50.00.

Respondents are required to attend a mandatory pre-bid meeting and site visit on Friday, October 7, 2016 at 11:00 AM at the offices of the Philadelphia Parking Authority - Airport Operations located at 1 Main Toll Plaza, Philadelphia International Airport, Philadelphia, Pa 19153.

Deadline for questions is Friday, October 21, 2016 at 2:00 PM. Proposals are due Monday, November 4, 2016, no later than 2:00 PM.
