

Notice to Bidders

Primary Data Center Installation

Philadelphia International Airport, Philadelphia, PA

Two Prime Contractors – Electrical and Mechanical

BID NO. 16-10

Sealed Bids will be received until 2:00 PM on Monday, May 9, 2016, by the Philadelphia Parking Authority (“the Authority”), a body corporate and politic created under the laws of the Commonwealth of Pennsylvania in accordance with the Act of June 19, 2001, P.L. 287, No. 22, as amended, known as the “Parking Authority Law”.

Scope of Work

The Philadelphia Parking Authority’s Airport Operations recently installed a redundant data center at a remote location, and is now replacing their existing primary data center with new equipment. The project entails installation of two server racks, and the associated uninterruptable power supply and HVAC cooling equipment. The Authority will contract with a two prime contractors who shall install owner supplied equipment, furnishing miscellaneous materials, and all labor to install the new primary data center.

The bid documents for this solicitation will be available after 3:00 PM on Wednesday, April 13, 2016. Interested firms can obtain the documents from Mary Wheeler, Manager of Contract Administration, in the offices of the Authority, located at 701 Market Street, Suite 5400, Philadelphia, PA 19106. The bid documents may be obtained for a fee of \$75.00.

Respondents are required to attend a mandatory pre-bid meeting and site visit on Wednesday, April 20, 2016 at 11:00 AM at the offices of the Philadelphia Parking Authority - Airport Operations located at 1 Main Toll Plaza, Philadelphia International Airport, Philadelphia, Pa 19153.

Deadline for questions is Thursday, April 28, 2016 at 2:00 PM. Proposals are due Monday, May 9, 2016, no later than 2:00 PM.
