   **Response:** The address label may be computer generated or typewritten, however, the bid number and vendor name must be handwritten as instructed.

   **Response:** Yes.

11. **Question:** Please advise if the requirement for delivery in 30 days after placement of order (1) includes the transit time to Philadelphia and (2) if that is calculated from the date of the notice of award, or the receipt of valid signed contract and (3) if calculated on either of those dates, it might be able to be modified to “30 work days after receipt of purchase order”?

   **Response:** Please refer to item #8 of the Bid Form (Bid Form page 3).

12. **Question:** Please confirm the statement made in the conference that the bid security would be returned at the completion of the contract. Assuming that applies only to the vendor awarded the contract, please advise, when the security would be returned to the unsuccessful bidders.
