- Center City Transient Tickets - \$15.39 per 1,000

2. **Question:** On the printed samples: the time and cost to make plates and print such small quantities can be very prohibitive for vendors who haven't participated in past contracts. Is it possible to waive the Authorities printed requirements for the test tickets and send generic stock tickets?

Response: Yes, the Authority will accept generic tickets, however, all tickets must have printed liability and sequential numbering on each ticket.

3. **Question:** Can we supply the Parking Authority with Generic Stock Tickets for testing? Generic stock has a disclaimer in black ink and is the same EXACT material and magnetic stripe that will be used on the custom printed tickets.

Response: Yes, the Authority will accept generic tickets, however, all tickets must have printed liability and sequential numbering on each ticket.
