The Authority shall not be bound by any verbal information nor shall it be bound by any written information that is not either contained within the IFB or formally issued as an addendum by the Authority. The Authority does not consider questions to be a protest of the Work Statement or of the solicitation.

I-4. Clarification of Instructions.

All questions and clarification requests will be responded to via written addendum that will be emailed to all prospective Bidders. Addenda will also be posted to the Authority’s website, www.philapark.org.

I-5. Restrictions of Contact.

From the issue date of this IFB until the Authority’s Board approves the awarding of the contract, **Mary Wheeler is the sole point of contact concerning this solicitation.** Any violation of this condition may be cause for the Authority to reject the offending Bidder’s bid. If the Authority later discovers that the Bidder has engaged in any violations of this condition, the Authority may reject the offending Bidder’s bid or rescind its award. Bidders must agree not to distribute any part of their bid beyond the Authority. A Bidder who shares information contained in its bid with other Authority personnel and/or competing Bidder personnel may be disqualified.

I-6. Bid Conditions.

Sealed bids must be received in the office of the Philadelphia Parking Authority, addressed to Mary Wheeler, 701 Market Street, Suite 5400, Philadelphia, PA 19106, by Friday, November 22, 2019 no later than 2:00 PM. Each Bidder shall submit to the Authority the information and forms required, which forms and information shall become the property of the Authority and will not be returned to Bidders, unless a written request to withdraw is received prior to the opening of bids.

I-7. Small and Small Diverse Business Requirements.

The Authority is continually looking for opportunities available for growth and advancement among small and small diverse business through contracts to provide products, services or construction to the Authority. Bidders shall identify their status as a small and/or small diverse business by completing the Small and Small Diverse Business Participation Submittal form included in the Bid Form along with a copy of their Small Business Procurement Initiative certificate issued from the Pennsylvania Department of General Services. Bidders may self-certify at:

<http://www.dgs.pa.gov/Businesses/Small%20Business%20Contracting%20Program/Pages/default.aspx>,

<http://www.dgs.pa.gov/Businesses/Small%20Diverse%20Business%20Program/Small-Diverse-Business-Verification/Pages/default.aspx>.

I-8. Signatures Required.

The bids *must* be signed in all spaces where signatures are required. In cases of corporation, the signature must be that of a duly authorized officer of the corporation and officer’s title must be stated. In cases of partnerships, the signature of

a general partner must follow the firm name, using the term "A Member of Firm." In cases of an individual use the term "dba" (Company Name) or as sole owner.

I-9. Instructions for Affidavit of Non-Collusion.

1. The Non-Collusion Affidavit is material to any contract awarded through a public solicitation.
2. This Non-Collusion Affidavit must be executed by the member, officer or employee of the Bidder who makes the final decision on terms and prices identified in the bid.
3. Bid rigging or collusion and other efforts to restrain competition, and the making of false sworn statements in connection with the submission of bids are unlawful and may be subject to criminal prosecution. The person who signs the Affidavit below should examine it carefully before signing and assure himself or herself that each statement is true and accurate, making diligent inquiry, as necessary, of all other persons employed by or associated with the Bidder with responsibilities for the preparation, approval or submission of the bid.
4. In the case of a bid submitted by a joint venture, each party to the venture must be identified in the bid documents, and an Affidavit must be submitted separately on behalf of each party.
5. The term "complementary bid" as used in the Affidavit has the meaning commonly associated with that term in the request for bid process, and includes the knowing submission of bids higher than the bid of another firm, any intentionally high or noncompetitive bid, and any other form of bid submitted for the purpose of giving a false appearance of competition.
6. Failure to file an Affidavit in compliance with these instructions will result in disqualification of the bid.

I-10. Insurance Requirements.

The successful Bidder will be required to submit Insurance Coverage as outlined in the *Appendix C*. The Bidder shall submit with their bid a sample certificate of insurance from a recent project that meets the requirements or a letter from its insurance company indicating that if awarded a contract they will provide the required insurances as outlined in the IFB. **Insurance requirement will NOT be negotiated after bids are received.**

I-11. Executed Contract Required.

By submitting a bid in response to this IFB the Bidder agrees that the Authority will not be bound to any contract, performance or payment obligation until the Authority's Board votes to award a contract to the successful Bidder and the Authority's Executive Director signs the written contract.

I-12. Contract Negotiation.

If successful, this procurement process will result in the presentation of a completed final-form contract to the Authority's Board for approval at a public meeting. To advance that goal a sample contract is included as *Appendix A*. Please review the sample contract carefully. Any exceptions or requested changes to the contract **must be clearly noted in the bid (Tab E)** in order to be considered.

Exceptions or requested changes to the sample contract will be considered a **part of the response**. Exceptions or requested changes to the sample contract should be made with great care. The Authority may reject all or some of those changes or exceptions, in its sole discretion.

I-13. Business Licenses:

The bid should include the Bidder's Philadelphia Commercial Activity License (formerly Business Privilege License) number and the Bidder's Federal Tax ID number. If the Bidder does not currently have a Philadelphia Commercial Activity License, it must obtain one no later than five business days after notification of selection. If the Bidder does not believe that it needs a Philadelphia Commercial Activity License, an explanation with references to statute and/or the Philadelphia Code should be included with the bid.

I-14. Rejection or Acceptance of Bids.

An Evaluation Committee comprised of Authority personnel will review all bids. The Authority will select the lowest responsive, responsible Bidder for contract negotiation. In the event the negotiations reveal that the bid selected for

negotiation is not the most advantageous or the Bidder selected for negotiation defaults or withdraws from negotiation, the Evaluation Committee may select the next lowest responsive responsible Bidder for contract negotiation. The Authority may cancel the bid and reject all bids at any time prior to award by the Board.

The Authority reserves the right to waive any irregularities in the completion of the forms and papers enclosed in this schedule; to accept or reject any or all bids; to re-advertise for bids if desired, and to accept any bids which, in the judgment of the Authority, will be in the Authority's best interest.

Any form which is required to be submitted and which is incomplete, conditional, obscure, contains additions not called for and not approved by the Authority, or which contains irregularities of any kind, may be cause for rejection of the bid, in the sole discretion of the Authority. At any time up to the hour and date set for opening of bids, a Bidder may withdraw its bid. Such withdrawal must be in writing and sent to the Authority at the address set forth herein by a nationally recognized overnight courier service, certified mail, return receipt requested, or delivered in person. Such withdrawal shall be effective only upon receipt by the Authority evidenced by written confirmation of such receipt and will preclude the submission of another bid by such Bidder. After the scheduled time for opening of bids, no Bidder will be permitted to withdraw their bid, and each Bidder hereby agrees that their bid shall remain firm for the contract period. A bid made and opened may be withdrawn with the written permission of the Authority, if the Authority determines in its sole discretion that the bid is inconsistent with the best interest of the Authority.

I-15. Unacceptable Bids.

No bid will be accepted from or selection made of any person, firm or corporation that is in arrears or in default to the Authority upon any debt or contract, or whose insurer or banking institution is in default as surety or otherwise upon any obligation to the Authority, or has failed in the sole opinion of the Authority to faithfully perform any previous contract with the Authority.

I-16. Subcontracting

Subcontracting, assignment, or transfer of all or part of the interest of the Bidder that is awarded a Contract or in the work covered by this Contract is prohibited and void without the prior written approval from the Authority. In the event such consent is given, the terms and conditions of this Contract shall apply to and bind the party or parties to whom such work is subcontracted, assigned, or transferred as fully and completely as the awarded Bidder is hereby bound and obligated and the Bidder shall obtain written acknowledgement thereof from all subcontractors and experts so engaged. The Contractor must list all subcontractors it intends to use under this contract. All requirements of the contractor also apply to the subcontractor including equipment standards, prevailing wage and benefit standards, insurance requirements, operator licensing, etc. Proof of insurance in the types and amounts required under this contract must be submitted to the successful Bidder from the subcontractor.

I-17. Notification of Bidder(s) Selection.

The Authority will study and evaluate all bids which are received in accordance with the Criteria for Selection set forth in the bid package. The Authority will notify all other Bidders of the selection within sixty (60) days after the date the bids are opened. Such notice shall be in writing and mailed to the address furnished by each respective Bidder in the Submittal Letter. The selected Bidder(s) shall not start the performance of any work prior to the effective date of the Contract and the Authority shall not be liable to pay the selected Bidder(s) for any service or work performed or expenses incurred before the effective date of the Contract. Costs incurred by the Bidder(s) in the preparation of the bid or during any review or negotiations shall be born exclusively by the Bidder(s).

I-18. Standard Practices.

All work performed under the contract shall be subject to inspection and final approval by the Authority, through the Executive Director or his designee.

I-19. Document Disclosure.

While documents exchanged by or with the Authority or its agents during this process may be protected from public release by certain terms of Pennsylvania's Right to Know Law (65 P.S. §§67.101–67.3104), Pennsylvania's Procurement Code, or other laws, many documents may not be protected. All Bidders are advised to seek counsel or otherwise educate themselves regarding open records requirements in Pennsylvania.

I-20. Statement of No Bid.

All Prospective Bidders that do not intend to submit a bid are asked to complete the Bid Decline Form enclosed in the Bid Form. This document must be emailed to the attention of Mary Wheeler, Manager of Contract Administration at mwheeler@philapark.org. Specific comments and observations are encouraged.

I-21. Shipping and Delivery.

The Bidder will be responsible for all shipping and delivery costs of the specified items required to support the bid.

PART II

INFORMATION REQUIRED FROM BIDDERS

II-1. Bid Format.

All bids submitted must conform to the following format requirements. Bids must be submitted on letter size (8 ½" x 11") paper. The point size font for text must be 10 to 12, and 6 to 8 for exhibits. All documents must contain a one-inch margin. For exhibits, 11x17 paper is acceptable. An electronic version of the Bid Form can be provided to all prospective Bidders upon request. Forms that are altered by the Bidder may be grounds for rejection of the bid submitted.

The tab requirements are as follows:

- Tab A – Submittal Letter
- Tab B – Insurance Requirements
- Tab C – Bid Form
- Tab D – Financial Statements
- Tab E – Proposed Amendments to Contract Terms
- Tab F – Additional Attachments

II-2. Submittal Letter (Tab A).

Submit a cover letter, signed by an authorized principal or agent of the contractor, which provides an overview of the Bidder's qualifications, as well as the name, title, email address and phone number of the person to whom the Authority may direct questions concerning the bid. Include a statement by the Bidder accepting all terms and conditions contained in this bid, signed by an officer or individual with authority to bind the company.

II-3. Insurance Requirements (Tab B).

Provide a sample certificate of insurance from a recent project that meets the requirements or a letter from your insurance company indicating that they will provide the required insurances as outlined in this IFB if awarded a contract.

Provide a summary and the status of any current or ongoing legal actions, suits, proceedings, claims or investigations pending with any governmental agency with which the Bidder has had or currently has a contractual relationship. The existence of any such pending actions, suits, proceedings, claims or investigations may be a factor considered by the Authority in determining which Bidder should be awarded that contract but will not automatically disqualify the Bidder from consideration. Should there be no legal actions, suits, proceedings, claims or investigations pending with any governmental agency with which the Bidder has had or currently has a contractual relationship, a statement to that effect will be included.

II-6. Proposed Amendments to Contract Terms (Tab E).

The Authority reserves the right, in its sole discretion, to waive any other technical or immaterial nonconformities.

III-3. Bid Evaluation. An Evaluation Committee comprised of Authority personnel will review all bids received. The Authority will select the lowest responsive, responsible Bidder for contract negotiation. In qualifying a Bidder as responsible the Evaluation Committee will consider the Bidder' ability to meet the requirements detailed in the Work Statement and the terms and conditions of the contract.

In the event the negotiations reveal that the bid selected for negotiation is not the most advantageous or the Bidder selected for negotiation defaults or withdraws from negotiation, the Evaluation Committee may select the next lowest responsive, responsible Bidder for contract negotiation. 3. Contractor shall not disclose to others any confidential information gained by virtue of this Contract.

4. Contractor, its affiliates, agents, employees and anyone in privity with Contractor shall not, in connection with this or any other agreement with the Authority, directly or indirectly, offer, confer, or agree to confer any pecuniary benefit or gift on anyone, for any reason, including as consideration for the decision, opinion, recommendation, vote, other exercise of discretion, or violation of a known legal duty by any officer or employee of the Authority.

5. Contractor confirms that no Authority officer or employee holds a financial interest in Contractor.

6. Contractor shall have no financial interest with or in any other contractor, subcontractor, or supplier providing services, labor, or material under this contract, unless the financial interest is disclosed to the Authority in writing and the Authority consents to Contractor's financial interest prior to the Authority's execution of the contract. Contractor shall disclose the financial interest to the Authority at the time of bid or proposal submission, or if no bids or proposals are solicited, no later than Contractor's submission of the contract signed by Contractor.

7. When Contractor has reason to believe that any breach of ethical standards as set forth in law or these Contractor Integrity Provisions has occurred or may occur, including but not limited to contact by an Authority officer or employee which, if acted upon, would violate such ethical standards, Contractor shall immediately notify the Authority contracting officer or the Authority's Office General Counsel in writing.

Contractor shall incorporate this paragraph in any agreement, contract or subcontract it enters into in the course of the performance of this contract/agreement solely for the purpose of obtaining subcontractor compliance with this provision. The incorporation of this provision in a subcontract shall not create privity of contract between the Authority and any such subcontractor, and no third party beneficiaries shall be created thereby.

11. Nondiscrimination/Sexual Harassment. Contractor agrees:

a) In the hiring of any employee(s) for the manufacture of supplies, performance of work, or any other activity required under the contract or any subcontract, Contractor, each subcontractor, or any person acting on behalf of Contractor or subcontractor shall not discriminate in violation of the Pennsylvania Human Relations Act (PHRA) and applicable federal laws against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.

b) Neither Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate in violation of the PHRA and applicable federal laws against or intimidate any employee involved in the manufacture of supplies, the performance of work, or any other activity required under the contract.

c) Contractor and each subcontractor shall establish and maintain a written nondiscrimination and sexual harassment policy and shall inform their employees of the policy. The policy must contain a provision that sexual harassment will not be tolerated and employees who practice it will be disciplined. Posting this Nondiscrimination/Sexual Harassment Clause conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the contract services are performed shall satisfy this requirement.

d) Contractor and each subcontractor shall not discriminate in violation of PHRA and applicable federal laws against any subcontractor or supplier who is qualified to perform the work to which the contract relates.

e) Contractor and each subcontractor represents that it is presently in compliance with and will maintain compliance with all applicable federal, state, and local laws and regulations relating to nondiscrimination and sexual harassment. Contractor and each subcontractor further represents that it has filed a Standard Form 100 Employer Information Report (“EEO-1”) with the U.S. Equal Employment Opportunity Commission (“EEOC”) and shall file an annual EEO-1 report with the EEOC as required for employers subject to Title VII of the Civil Rights Act of 1964, as amended, that have 100 or more employees and employers that have federal government contracts or first-tier subcontracts and have 50 or more employees. Contractor and each subcontractor shall, upon request and within the time periods requested by the Commonwealth, furnish all necessary employment documents and records, including EEO-1 reports, and permit access to their books, records, and accounts by the contracting agency and the Bureau of Small Business Opportunities (BSBO), for purpose of ascertaining compliance with provisions of this Nondiscrimination/Sexual Harassment Clause.

f) Contractor shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subcontract so that those provisions applicable to subcontractors will be binding upon each subcontractor.

g) Contractor’s and each subcontractor’s obligations pursuant to these provisions are ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, Contractor and each subcontractor shall have an obligation to inform the Authority if, at any time during the term of the contract, it becomes aware of any actions or occurrences that would result in violation of these provisions.

h) The Authority may cancel or terminate the contract and all money due or to become due under the contract may be forfeited for a violation of the terms and conditions of this Nondiscrimination/Sexual Harassment Clause. In addition, the agency may proceed with debarment or suspension and may place Contractor in Contractor Responsibility File.

12) Americans with Disabilities Act. Contractor agrees as follows.

a) Pursuant to the federal regulations promulgated under the authority of the Americans With Disabilities Act, 28 C.F.R. 35.1010 et. Seq., Contractor understands and agrees that no individual with a disability shall, on the basis of the disability, be excluded from participation on this contract or from activities provided under this contract. As a condition of accepting and executing this contract, Contractor agrees to comply with the “General Prohibitions Against Discrimination,” 28 C.F.R. 35.130, and all other regulations promulgated under Title II of the Americans With Disabilities Act, which are applicable to the benefits, services, programs, and activities provided by the Authority through contracts with outside contractors.

13. For violation of any of these Contractor Integrity Provisions the Authority may terminate this and any other contract with Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these Provisions, claim damages for all additional costs and expenses incurred in obtaining another contractor to complete performance under this contract, and debar and suspend Contractor from doing business with the Authority. These rights and remedies are cumulative, and the use or non-use of any one shall not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation, or otherwise.

14. Contractor certifies to the best of its knowledge and belief that within the last five (5) years Contractor or Contractor Related Parties have not:

- e) been, and is not currently, the subject of a criminal investigation by any federal, state or local prosecuting or investigative agency and/or civil anti-trust investigation by any federal, state or local prosecuting or investigative agency.

If Contractor cannot so certify to the above, then it must submit along with its bid, proposal or contract a written explanation of why such certification cannot be made and the Authority will determine whether a contract may be entered into with Contractor. Contractor’s obligation pursuant to this certification is ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, Contractor shall have an obligation to immediately notify the Authority in writing if at any time during the term of the contract if becomes aware of

any event which would cause Contractor's certification or explanation to change. Contractor acknowledges that the Authority may, in its sole discretion, terminate the contract for cause if it learns that any of the certifications made herein are currently false due to intervening factual circumstances or were false or should have been known to be false when entering into the contract.
