GENERAL

§ 1005.81. Notice of proceeding; hearing; waiver of hearing.

(a) When notice and hearing are required under the act, publication in the *Pennsylvania Bulletin* of a notice of application or other initial pleading is sufficient to provide notice of the proceeding. Service on interested persons is also sufficient to provide notice. Hearings will be held upon the filing of the pleading, unless waived by the parties.

(b) If the appropriate pleading is not filed within the set period of time, or when the parties have waived hearings, the Authority or presiding officer may dispose of the matter without a hearing upon the basis of the pleadings or submittals and the studies and recommendations of the staff.

(c) Subsections (a) and (b) supersede 1 Pa. Code §§ 35.101, 35.103 and 35.121 (relating to waiver of hearing; preliminary notice to Department of Justice; and initiation of hearings).

§ 1005.82. Scheduling of hearing.

(a) A hearing calendar of all matters set for hearing will be maintained by the Clerk and will be in order of assignment as far as practicable. All matters will be heard at TLD Headquarters, unless a different site is designated by the Authority or the presiding officer. The Authority or the presiding officer, in its discretion with or without motion, for cause may at any time with due notice to the parties advance or postpone any proceeding on the hearing calendar.

(b) Hearings will be held before the Authority or presiding officer and all appearances, including staff counsel participating, will be entered upon the record, with a notation on whose behalf each appearance is made. A notation will be made in the record of the names of the members of the staff of the Authority participating, including accountants, and other experts, who are assisting in the investigation of the matter. This subsection supersedes 1 Pa. Code §§ 35.123 and 35.125 (relating to conduct of hearings; and order of procedure).

(c) Subsections (a) and (b) supersede 1 Pa. Code § 35.102 (relating to hearing calendar).

(a) The Authority or presiding officer is authorized to schedule prehearing conferences and hearings. Parties will be given reasonable notice of the time and place of the prehearing conference or hearing. In fixing the time and place of conferences and hearings, regard will be given to the convenience and necessity of the parties or their attorneys so far as time and the proper execution of the functions of the Authority permit.

(b) A protestant shall attend the initial hearing or prehearing conference, if one has been scheduled. Failure to attend may result in the dismissal of the protest by the Authority or presiding officer.

(c) Subsection (a) supersedes 1 Pa. Code §§ 35.105 and 35.106 (relating to notice of nonrulemaking proceedings; and contents of notice of nonrulemaking proceedings).

Conferences will be scheduled and conducted in accordance with 1 Pa. Code §§ 35.111—35.116 (relating to prehearing conferences).

STIPULATIONS

§ 1005.101. Presentation and effect of stipulations.

(a) Parties may stipulate to relevant matters of fact or the authenticity of relevant documents. The stipulations may be received in evidence at a hearing, and when so received shall be binding on the parties to the stipulation with respect to the matters therein stipulated.

(b) The parties may make stipulations independently of orders or rulings issued under § 1005.91 (relating to conferences generally).

(c) The Authority or presiding officer may disregard in whole or in part a stipulation of facts under this section but may grant further hearing if requested by a party to the stipulation within 15 days after issuance of an Authority order disregarding the stipulation of fact.

(d) Subsections (a)—(c) supersede 1 Pa. Code § 35.155 (relating to presentation and effect of stipulations).

§ 1005.102. Restrictive amendments to applications for rights issued by the Authority.

(a) Parties to an application for Authority rights may stipulate as to restrictions or modifications to the proposed rights. Stipulations in the form of restrictive amendments or modifications must:

- (1) Be in writing.
- (2) Explain why the stipulation is in the public interest.
- (3) Be signed by each party to the stipulation.

(4) Be submitted to the Director [Manager of Administration] for insertion into the document folder.

(b) Restrictive amendments shall be binding on the parties but not on the Authority if it is determined they are not in the public interest. If a restrictive amendment is not accepted by the Authority, it may remand the matter for appropriate proceedings.

HEARINGS

§ 1005.111. Order of procedure.

(a) In a proceeding, the party having the burden of proof shall open and close unless otherwise directed by the presiding officer. In a hearing on investigations and in proceedings which have been consolidated for hearing, the presiding officer may direct who will open and close. Oral rejoinder, if proposed by the party with the burden of proof, shall be completed before any cross-examination of the witness is conducted.

(b) The presiding officer will conduct a de novo review for all proceedings held pursuant to § 1005.24 (relating to appeals from actions of the staff) and the burden of proof shall rest with the filing party.

(c) [(b)] Except when the presiding officer determines that it is necessary to develop a comprehensive evidentiary record, the participation of a person granted the right to intervene in a proceeding will be limited to the presentation of evidence through the submission of testimony under § 1005.151 (relating to oral examination).

(d) [(c)] In proceedings when the evidence is peculiarly within the knowledge or control of another party, the order of presentation in subsections (a) and (b) may be varied by the presiding officer.

(e) [(d)] The presiding officer may direct the order of parties for purposes of cross-examination, subject to § 1005.112(f) (relating to presentation by parties).

(f) [(e)] Subsections (a)—(d) supersede 1 Pa. Code § 35.125 (relating to order of procedure).

Cross References

This section cited in 52 Pa. Code § 1005.113 (relating to failure to appear, proceed or maintain order in proceedings).

§ 1005.112. Presentation by parties.

(a) A party has the right of presentation of evidence, cross-examination, objection, motion and argument subject to the limitations of this subpart. The taking of evidence and subsequent proceedings shall proceed with reasonable diligence and with the least practicable delay.

(b) When an objection to the admission or exclusion of evidence before the Authority or the presiding officer is made, the ground relied upon shall be stated briefly. A formal exception is unnecessary and may not be taken to rulings thereon.

(c) The Authority or presiding officer may require or allow a factual statement of the scope of a pleading or the position of a party in the proceeding. Facts admitted on the record by a party or by testimony, exhibits or in writing, need not be further proved.

(d) The Authority or the presiding officer may limit appropriately the number of witnesses who may be heard upon an issue.

(e) A party will not be permitted to introduce evidence during a rebuttal phase which:

(1) Is repetitive.

(2) Should have been included in the party's case-in-chief.

(3) Substantially varies from the party's case-in-chief.

(f) If a party conducts friendly cross-examination of a witness, the presiding officer may permit the other parties a second opportunity to cross-examine after friendly cross-examination is completed. The recross-examination shall be limited to the issues on which there was friendly cross-examination.

(g) Subsections (a)—(f) supersede 1 Pa. Code § 35.126 (relating to presentation by the parties).

§ 1005.113. Failure to appear, proceed or maintain order in proceedings.

(a) Except as provided in § 1005.13(c) (relating to citation complaints by the Authority), after being notified, a party who fails to be represented at a scheduled conference or hearing in a proceeding will:

(1) Be deemed to have waived the opportunity to participate in the conference or hearing.

(2) Not be permitted thereafter to reopen the disposition of a matter accomplished at the conference or hearing.

(3) Not be permitted to recall witnesses who were excused from further examination.

(b) Subsection (a) does not apply if the presiding officer determines that the failure to be represented was unavoidable and that the interests of the other parties and of the public would not be prejudiced by permitting the reopening or further examination. Counsel shall be expected to go forward with the examination of witnesses at the hearing under § 1005.111 (relating to order of procedure), or as has been otherwise stipulated or has been directed by the presiding officer.

(c) If the Authority or the presiding officer finds, after notice and opportunity for hearing, that the actions of a party, including an intervenor, in a proceeding obstruct the orderly conduct of the proceeding and are inimical to the public interest, the Authority or the presiding officer may take appropriate action, including dismissal of the complaint, application or petition, if the action is that of complainant, applicant or petitioner.

§ 1005.114. Electronic testimony.

(a) Purpose, scope and definitions.

(1) The following term, when used in this section, has the following meaning, unless the context clearly indicates otherwise:

Electronic testimony witness—

(A) An individual offered to provide testimony or other evidence at a hearing conducted under Chapter 1005, Subchapter B (relating to hearings) in an enforcement proceeding by telephone or audio-visual means.

(B) This term does not apply to an individual who is one of the following:

(I) An Authority employee.

(II) A regulated party.

(III) An agent or employee of a regulated party.

(2) In-person testimony is normally preferable to testimony by telephone or audio-visual means. There can be reasons to justify receiving testimony by telephone or audio-visual means, including the transitory nature of many of the users of taxicabs and limousines. This section is promulgated to provide the conditions under which testimony by telephone or audio-visual means will be scheduled and received, to safeguard the due process rights of the parties, and to ensure that testimony by telephone or audio-visual means is received under uniformly applied rules.

(3) When the general rules of this subpart conflict with this section, this section controls.

(4) This section applies to the use of an electronic testimony witness in enforcement proceedings initiated by Trial Counsel or the Enforcement Department, or both.

(b) Scheduling of telephone or audio-visual testimony.

(1) Scheduling of electronic testimony witnesses shall proceed as follows:

(i) The party seeking to present an electronic testimony witness shall file a written notice with the Clerk. The notice shall be filed more than 20 days before the scheduled hearing date. The

notice must contain the name of the proposed electronic testimony witness, the reason an exemption from standard in-person testimony is requested and an offer of proof as to the proposed testimony. A form of notice of intent to use a proposed electronic testimony witness may be obtained on the Authority's web site at www.philapark.org/tld or from TLD Headquarters.

(ii) A party may file written objections to the use of an electronic testimony witness with the Clerk within 10 days of the filing of the notice required under paragraph (2)(i). The objection must set forth the reasons in support thereof.

(iii) The notice required under this paragraph, and any objection thereto, shall be served as provided in Chapter 1001, Subchapter F (relating to service of documents) on the same day the document is filed with the Clerk. A certificate of service shall be filed with the Clerk.

(iv) If a timely objection is not filed under this paragraph, the parties will be deemed to consent to the use of the electronic testimony witness.

(v) The parties may mutually agree to waive the time limitations in this paragraph.

(2) It is within the sole discretion of the presiding officer to permit the use of an electronic testimony witness in consideration of the notice and objection, if any, required under this section. The presiding officer will consider the following factors prior to scheduling the testimony of an electronic testimony witness:

(i) The value of the proposed witness in developing a full and complete record.

(ii) The reason the proposed witness is unable to testify. Particular consideration will be given to reasonable conflicts or challenges associated with employment, childcare, transportation, mobility issues or health reasons.

(iii) The rebuttable presumption that a police officer within the definition of 234 Pa. Code Rule 103 (relating to definitions) should be permitted to testify by telephone or audio-visual means in matters related to the impoundment of a taxicab or limousine, a vehicle acting as a taxicab or limousine, or the alleged criminal conduct of a regulated party.

(iv) If the probative value of the proposed electronic testimony is substantially outweighed by the danger of an unfair prejudice to the opposing party.

(3) Only a witness scheduled to testify by telephone or audio-visual means may testify by telephone or audio-visual means. The testimony of each other witness shall be received in person.

(4) A witness scheduled to testify by telephone or audio-visual means will be permitted to testify in person.

(c) *Hearing process.*

- (1) At the start of the hearing, the presiding officer will state on the record the time and telephone or audio-visual numbers at which the presiding officer initiates the contact with an electronic testimony witness.
- (2) The presiding officer will permit parties a reasonable opportunity to question electronic testimony witnesses for the purpose of verifying the identity of these witnesses. Falsification of identity is prohibited.
- (3) This section does not create special procedures or standards for the presentation, cross-examination, exclusion or weighing of the testimony of an electronic testimony witness or for establishing the creditability of a witness once the witness is scheduled by the presiding officer.
- (4) The oath or affirmation administered to an electronic testimony witness shall indicate that the witness will not testify from documents that are not in the record.
- (5) The presiding officer, the electronic testimony witness and persons in the room in which the presiding officer is present while telephone or audio-visual testimony is presented shall be able to hear and speak to one another through the telephone or audio-visual connection used to submit testimony under this section.

- (a) If required by law, hearings will be stenographically recorded by the Authority's official reporter.
- (b) Notwithstanding the review provisions in § 1005.122 (relating to review of testimony), the hearing transcript will be a part of the record and the sole official transcript of the proceeding.

- (b) Review will not be permitted except upon written request within 20 days after the transcript has been filed with the Authority.

(c) Upon request for review, the Authority or presiding officer will schedule a time and place for the review which shall be open to all parties. The court reporter shall submit the tapes and equipment necessary for the review and shall arrange for the court reporter responsible for transcribing the tapes to be present at the review.

(d) Actual costs associated with making the tapes available for review, including the time of the court reporter, shall be paid by the party requesting review.

(e) Nothing in this section requires the electronic recording of testimony.

§ 1005.123. Transcript corrections.

(a) A correction in the official transcript may be made only to make it accurately reflect the evidence presented at the hearing and to speak the truth.

(b) Proposed corrections of a transcript may be submitted by either of the following means:

(1) By written stipulation by the parties of record who were present when the transcription was taken.

(2) Upon written request of one or more parties of record present when the transcription was taken.

(c) Proposed corrections shall be filed as follows:

(1) Within 10 days after the transcript has been filed with the Clerk.

(2) Within 10 days after the electronically recorded testimony has been reviewed.

(3) Upon permission of the presiding officer granted prior to the closing of the record.

(d) Objections or other comments to the proposed corrections shall be filed within 10 days of service of the proposed corrections.

(e) Proposed corrections and objections or other comments shall be served upon the parties of record present when the original transcription was taken.

(f) The presiding officer will rule upon a proposed correction of a transcript within 20 days of its receipt. A request for corrections not acted upon within 20 days is deemed to be:

(1) Denied if opposed in a timely manner.

(2) Granted if unopposed.

(g) Subsections (a)—(f) supersede 1 Pa. Code § 35.132 (relating to transcript corrections).

If a hearing has adjourned, the Authority or presiding officer will reconvene the hearing to receive additional evidence. Notice of the intent to reconvene a hearing will be provided to the parties under § 1001.51 (relating to service by the Authority).

An offer of proof also may be made when the presiding officer has sustained an objection to the admission of testimony or tangible evidence. If the proffered evidence is tangible, it shall be marked for identification and constitute the offer of proof. If the proffered evidence is oral testimony, the offer of proof shall consist of a summary of the evidence which counsel contends would be adduced by the testimony. § 1005.204. Briefs and oral argument before presiding officer.

(a) In matters which do not require a hearing to develop an evidentiary record, the presiding officer may issue a recommended decision upon review of the petition and answer, if any.

(b) *Other proceedings.* If no exceptions are filed in a proceeding included within § 1005.211(a) (relating to exceptions to recommended decisions), the decision of the presiding officer will become a final order or adjudication of the Authority without further Authority action unless, within 15 days after the decision is issued, two or more members of the Authority request that the General Counsel schedule the decision for Authority review. Authority action on exceptions will be a final order or adjudication.

(c) *Supersession.* Subsections (a) and (b) supersede 1 Pa. Code §§ 35.213 and 35.226 (relating to effect of failure to except to proposed report; and final orders).

§ 1005.215. Withdrawal of appeals.

(a) The filing of exceptions to a recommended decision will be deemed to be an appeal to the Authority of the recommended decision and is subject to review by the Authority.

(b) An appeal to the Authority may be withdrawn at any time. If the presiding officer's previous decision is not otherwise subject to Authority review, it becomes final and effective upon the filing of a notice of withdrawal.

Subchapter H. REOPENING, RECONSIDERATION AND REHEARING

§ 1005.221. Reopening prior to a final decision.

(c) Within 10 days following the service of the petition, another party may file an answer thereto.

(d) The record may be reopened upon notification to the parties in a proceeding for the reception of further evidence if there is reason to believe that conditions of fact or of law have so changed as to require, or that the public interest requires, the reopening of the proceeding.

(1) The presiding officer may reopen the record if the presiding officer has not issued a decision or has not certified the record to the Authority.

(2) The Authority may reopen the record after the presiding officer has issued a decision or certified the record to the Authority.

(b) A copy of every petition covered under subsection (a) shall be served upon each party to the proceeding.

(c) Petitions for reconsideration, rehearing, reargument, clarification, supersedeas or others shall be filed within 10 days after the Authority order involved is entered or otherwise becomes final.

(d) Answers to a petition covered under subsection (a) shall be filed and served within 10 days after service of a petition.

(e) The filing of a petition as provided in this section will not act to toll any period of appeal related to judicial review of an Authority action. The expiration of a period of appeal without action by the Authority will be deemed a denial of the petition by the Authority.

(f) Subsections (a)—(e) supersede 1 Pa. Code § 35.241 (relating to application for rehearing or reconsideration).

Subchapter I. REPORTS OF COMPLIANCE

§ 1005.231. Reports of compliance.

The certificate holder shall simultaneously serve copies of the tariff revision, along with the proof of revenues and supporting calculations, on the parties in the proceeding. A utility may also be required to provide an electronic, red-lined copy of any filing made to assist the parties in promptly identifying and analyzing the filing.

(b) Unless otherwise specified in the order, the tariff revision shall be effective upon statutory notice to the Authority and to the public and, whether made effective on statutory notice or under authority granted in the order, shall bear under the effective date on the title page the following notation:

“Filed in compliance with the order of Philadelphia Parking Authority, entered _____
2 _____ (date) at ____:____ (time).”

(c) Exceptions to a tariff revision under this section may be filed by a party to the proceeding within 10 days of the date of service of the compliance filing, and must be strictly limited in scope to the factual issue of alleged deviation from requirements of the Authority order. The utility making the compliance filing may respond to exceptions within 5 days. Further pleadings will not be permitted.

(d) Rates contained in a tariff revision filed in compliance with an Authority order may not be imposed prior to entry of a subsequent order by the Authority approving the compliance filing. (a) When the Authority has made an order which is not a final order, a party may by motion request that the Authority find, and include the findings in the order by amendment, that the order involves a controlling question of law as to which there is a substantial ground for difference of opinion and that an immediate appeal to Court of Common Pleas of Philadelphia County [Commonwealth Court] from the order may materially advance the ultimate termination of the matter. The motion shall be filed within 10 days after service of the order, and is procedurally governed under § 1005.71 (relating to motions). Unless the Authority acts within 30 days after the filing of the motion, the motion will be deemed denied.

(b) Neither the filing of a motion under subsection (a), nor the adoption of an amended order containing the requested finding, will stay a proceeding unless otherwise ordered by the Authority or Court of Common Pleas of Philadelphia County [Commonwealth Court].

If the individual subject to cancellation also holds a limousine driver's certificate, that driver's certificate will be cancelled with the taxicab driver's certificate.

(b) This section may not be interpreted to require or permit a taxicab to provide service in an area outside the rights identified in the taxicab certificate holder's rights. For example, this section does not permit a partial-rights taxicab to stop for a hail outside of its defined geographical area.

§ 1021.17. Partial-rights taxicab driver log.

CHAPTER 1025. INSURANCE REQUIRED

§ 1025.1. Definitions.

The following words and terms, when used in this chapter, have the following meanings, unless the context clearly indicates otherwise:

Form E—The standard form filed by a regulated party's insurer evidencing the existence of a current and valid insurance policy or surety bond in the name of the insured and for lines of coverage and with limits required by the Authority.

Form K—The standard form filed by a regulated party's insurer providing notice of cancellation of an insurance policy or surety bond previously maintained to be in compliance with the act, this part or an order of the Authority.

Self-insurer—A certificate holder that adjusts and is ultimately liable for payment of all or part of its bodily injury, property or cargo damage claims resulting from the operation, maintenance or use of a motor vehicle as a taxicab.

§ 1025.2. Insurance forms and procedures.

(a) Forms of notice.

- (1) Endorsements for policies of insurance and surety bonds, certificates of insurance or for approval of other securities or agreements shall be made through Form E.
- (2) Notices of cancellation for policies of insurance, surety bonds, certificates of insurance and self-insurer status shall be made through Form K.
- (3) Each provider of insurance and surety bonds shall complete and file the Authority's Form INS-1 "Contact Information" upon the first filing of a Form E in each calendar year and at any time during the year when the contact information provided will change. A copy of the Form INS-1 is available on the Authority's web site at www.philapark.org/tld.

(b) Surety bonds and certificates in effect continuously. Surety bonds and certificates of insurance must specify that coverage will remain in effect continuously until terminated, except under one of the following conditions:

- (1) When filed expressly to fill prior gaps or lapses in coverage or to cover grants of emergency temporary authority of unusually short duration and the filing clearly so indicates.
- (2) Urgent circumstances, when special permission is obtained from the Authority.

(c) Filing and copies.

- (1) Certificates of insurance, surety bonds and notices of cancellation required by subsection (a) must be filed with the Director by email at eksubmission@philapark.org.
- (2) The Authority will provide prompt notice of acceptance of filings required by this section by return email message.

(d) Name of insured. Certificates of insurance and surety bonds shall be issued in the full and correct name of the regulated party to whom the certificate, registration, or license or other right is, or is to be issued. In the case of a partnership, all partners shall be named.

(e) Cancellation notice. Except as provided in subsection (f), surety bonds, certificates of insurance and other securities or agreements may not be cancelled or withdrawn until after 30 days notice in writing has been issued by the insurance company, surety, motor carrier, broker or other party, to the Director. The period of 30 days begins from the date the Director provides notice of acceptance as provided in subsection (c)(2).

(f) *Termination by replacement.* Certificates of insurance and surety bonds which have been accepted by the Authority under this chapter may be replaced by other certificates of insurance, surety bonds or other security, and the liability of the retiring insurer or surety under the certificates of insurance or surety bonds shall be considered as having terminated as of the effective date of the replacement certificate of insurance, surety bond or other security, if the replacement certificate, bond or other security is acceptable to the Authority under this chapter.

(g) *Refusal to accept or revocation by the Authority of surety bonds.* The Authority may refuse to accept or may revoke its acceptance of a surety bond, certificate of insurance or other securities or agreements if, in its judgment, the security does not comply with this subchapter or fails to provide satisfactory or adequate protection for the public. Revocation of acceptance of a certificate of insurance, surety bond or other security does not relieve the regulated party from compliance with this subchapter.

(h) *Compliance.* Failure to maintain evidence of insurance on file with the Authority in accordance with this chapter may cause the rights and privileges issued to the regulated party to be placed out of service immediately as provided in § 1003.32 (relating to out of service designation). The Authority may establish rules under which suspended rights and privileges may be temporarily reinstated pending compliance with this subpart.

§ 1025.3. Insurance required.

(a) A regulated party may not engage in taxicab service and the certificate of public convenience will not be issued or remain in force, except as provided in § 1025.4 (relating to applications to self-insure) until there has been filed with and approved by the Authority a certificate of insurance by an insurer authorized to do business in this Commonwealth, to provide for the payment of valid accident claims against the insured for bodily injury to or the death of a person, or the loss of or damage to property of others resulting from the operation, maintenance or use of a taxicab in the insured authorized service.

(b) The liability insurance maintained by a taxicab certificate holder must conform to 75 Pa.C.S. Chapter 17 (relating to Motor Vehicle Financial Responsibility Law). First party coverage of the taxicab driver of taxicabs must meet the requirements in 75 Pa.C.S. § 1711 (relating to required benefits).

(c) The certificate holder's loss history with a current or former insurer shall be released to the Authority within 3 business days of a request by the Authority. The certificate holder shall authorize any release required by the insurer to facilitate the timely delivery of the loss history to the Authority.

(d) The Authority may direct insurers to file proof of insurance both electronically and in hard copy.

(e) The limits in subsection (b) do not include the insurance of cargo.

§ 1025.4. Applications to self-insure.

(a) A taxicab or limousine certificate holder may file an application with the Authority to act as self-insurer of all or part of its bodily injury, property damage or cargo damage claims. In support of its application, the applicant shall submit a true and accurate statement of its financial condition which establishes its capability to satisfy its insurance obligations as they become due, a self-insurance plan which includes adequate security to protect the public and a description of its safety program including its past accident record. A self-insurance applicant shall agree in the application to grant the Authority power to rescind approval of self-insurer status, without hearing, if the Authority determines that the public interest demands it.

(b) In reviewing self-insurance applications, the Authority will examine the following factors in determining whether approval will be granted:

(1) The net worth of the certificate holder in relationship to the size of its operation and the nature and extent of its request for self-insurer status. The evidence must demonstrate the certificate holder's financial capability to adjust and pay insurance obligations as they become due before approval will be granted.

(2) The organization of the certificate holder's proposed self-insurance program including the adequacy of security to protect the public. Security may be in the form, but is not limited to, one or more of the following:

(i) Reserves.

(ii) Sinking funds.

(iii) Third party financial guarantees.

(iv) Parent company or affiliate sureties.

(v) Excess insurance coverage.

(vi) Other similar arrangements.

(3) The effectiveness of the certificate holder's safety program. The Authority will look closely at the average number and average cost of accident losses over the past three years in determining whether self-insurance is feasible.

(c) Authority approval of a self-insurance application may be made conditional on revisions in the applicant's proposed self-insurance plan, safety program or standards for adjustment and payment of claims, as well as requirements of periodic financial filings with the Authority.

(d) Authority approval of self-insurance status is subject to the issuance of a self-insurance certificate to the motor carrier by the Department of Transportation as required under 67 Pa. Code § 223.5 (relating to certificate) for vehicles registered in this Commonwealth.

§ 1025.5. Standards for adjustment and payment of claims.

Common carriers by motor vehicle, who are responsible to the public for adjustment or payment of bodily injury, property damage or cargo damage claims, or both, are prohibited from:

- (1) Misrepresenting pertinent facts relating to claims at issue.
- (2) Failing to acknowledge and act promptly upon written or oral communications with respect to insurance claims.
- (3) Failing to adopt and implement reasonable standards for the prompt investigation of claims.
- (4) Refusing to pay claims without conducting a reasonable investigation based upon available information.
- (5) Failing to affirm or deny responsibility for claims within a reasonable time after proof of loss statements have been completed and communicated to the carrier or its representative.
- (6) Not attempting in good faith to effectuate prompt, fair and equitable settlements of claims in which the carrier's liability has become reasonably clear.
- (7) Compelling persons to institute litigation to recover amounts due by offering substantially less than the amounts due and ultimately recovered in actions brought by those persons.
- (8) Making claim payments to claimants not accompanied by a statement defining which payments are being made.
- (9) Making known to claimants a policy of appealing from arbitration awards in favor of claimants to induce or compel them to accept settlements or compromises less than the amount awarded in arbitration.
- (10) Delaying the investigation or payment of claims by requiring a physician to submit a preliminary claim report and then requiring the subsequent submission of formal proof of loss forms, both of which submissions contain substantially the same information.
- (11) Failing to promptly provide a reasonable explanation in relation to the facts or applicable law for denial of a claim or for the offer of a compromise settlement.

§ 1025.6. Additional requirements.

- (a) Providers of policies of insurance and surety bonds shall summarize as a separate attachment from its policy any and all deviations of the policy from the standard ISO form. The insurer shall have the insured sign the attachment to the policy.
- (b) If a provider of a policy of insurance or surety bond is a surplus lines carrier, a Form 1609-PR of the Insurance Department shall be submitted along with the Form E. The Authority

reserves the right to have surplus line carriers demonstrate denial of coverage from insurance carriers that the Authority may be aware is providing admitted coverage, if any.

§ 1027.5. Agreement of sale.

(a) The parties to a proposed sale of transferable rights shall complete an agreement of sale detailing the terms of the transaction, including provisions required by this chapter, and file the agreement with the Director.

(b) An agreement of sale for transferable rights is void by operation of law if not executed by all parties in the presence of the Director or a designee.

(c) The term of an agreement of sale for transferable rights may not exceed 15 business days from the date of execution, except when executed on the date the application for sale of transferable rights is filed as provided in § 1027.6 (relating to application for sale of transferable rights).

A certificate holder may seek review of the determination to assign imputed mileage as provided in § 1005.24 (relating to appeals from actions of the staff).

(3) Unless otherwise provided by the Authority, a vehicle may not be introduced for limousine service or continue in limousine service if a reliable baseline odometer reading cannot be ascertained.
