

Board Order 17-005, Recalibration of taxi meters to allow rate increase.

Beginning Thursday, August 10, 2017, Verifone (VTS) equipped taxicabs will present taxicabs to the VTS Service Center located at 7th and Packer Ave. for meter recalibration consistent with the weekly schedule between the hours of 9 a.m. and 4 p.m. Upgraded cabs must then be brought to the TLD for testing and sealing. The meters in all new car transfers, change of vehicles, and change of dispatch applications must be recalibrated to the new rate before being presented to the TLD. Fleet owners, and owners of CMT equipped vehicles may make special arrangements with the enforcement department for group sealing. These requests should be sent by email to Wschmid@philapark.org.
