QUESTIONS

- 1. Question:** In section II-2, Transmittal Letter. This section notes that our transmittal letter should “include a statement by the Offeror accepting all terms and conditions contained in this RFP”, however the RFP allows for exceptions or requested changes to be taken with care. Can the Authority confirm that our transmittal letter statement may include language to indicate that we accept the terms and conditions except for those which we have taken exception or requested changes to?

Response: Yes, that is acceptable.
